ABOUT US:

USC Mann Associated Student Pharmacists (ASP) serves as the voice of all students enrolled in the Pharm.D. Program at USC Mann. It acts as the umbrella organization for the Pharm.D. Program at the Graduate and Professional Student Senate, and as the highest level of student government for Pharm.D. students.

All students enrolled full-time in the Pharm.D. Program at the USC Mann are voting members of ASP.

MISSION:

The mission of ASP is to enhance the academic and social experiences of students in the School of Pharmacy by organizing and funding various integral and supportive events throughout the year, and by coordinating the events held by all of the student organizations at the school.

AAPP - USC

American Association of Psychiatric Pharmacists

USC Chapter

Mission Statement

To expose student pharmacists to the field of psychiatric pharmacy, provide mental health education and outreach services, and prepare our members to serve those struggling with their mental health and/or substance use disorder.

About Us

AAPP-USC is one of many national student chapters. This national organization emphasizes mental health outreach and improving understanding of mental illnesses and their treatment options. Joining this organization will expose pharmacy students to the field of psychiatric pharmacy, providing networking opportunities, and allowing students to gain real-life skills training in preparation for their future career. AAPP-USC also offers naloxone training and harm reduction supplies as part of our harm reduction program (NaloxoneSC) to fight opioid overdose.

Contact Us

✉ aapp.usc@gmail.com | 📷 aapp_usc | 📺 @aappusc

Events and Opportunities

BCPP Shadowing Program

Gives students the opportunity to shadow a psychiatric pharmacist and gain clinical pearls

Career Day

Exposes students to various career opportunities within psychiatric pharmacy.

Naloxone Distribution Program (NaloxoneSC)

Offers training to students on how to counsel participants on naloxone and education on the safe use of opioids. The NaloxoneSC program provides students and members of the community access to naloxone through our website: <https://sites.usc.edu/naloxonesc/>

Suicide Prevention Workshop:

Empowers students to not only save lives, but also learn signs of suicidal ideation.

Mental Health Outreach

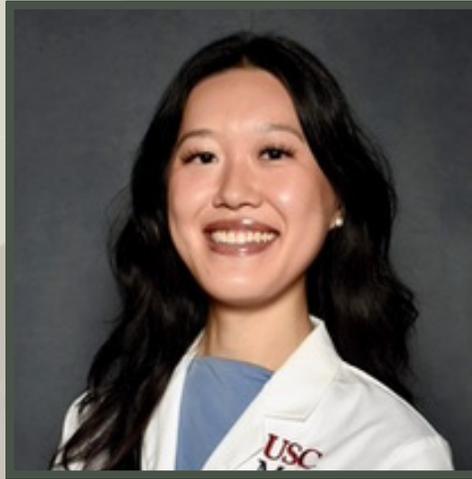

Gives students the opportunity to lead workshops and presentations with the goal of raising mental health awareness.

Alpha Iota Pi

Professional Pharmacy Society

About Us

Founded in 1951, Alpha Iota Pi is a co-ed professional pharmacy society exclusive to the USC School of Pharmacy. We promote unity and family values among our members, not only as students, but also as healthcare professionals. In expanding the pharmacist's role in the healthcare field, Alpha Iota Pi has outreach and advocacy projects that target wellness and disease management for the destitute population, as well as populations with limited to no healthcare access. With such focus, our professional and social events foster collaboration and excellence while promoting advocacy and growth for the pharmacy profession.

Mission

Alpha Iota Pi strives to help members overcome obstacles through unity and friendship, so that they can become successful and prominent in the field of pharmacy. Our organization focuses on advancing professional development and community impact using our strong foundation of leadership in the academic and professional pharmacy community.

Events

Health Fairs: We provide free health screenings to local communities with the help of our dedicated students and alumni.

Alumni Networking: We invite esteemed alumni and provide extensive networking opportunities.

Philanthropy Events: We volunteer for social and charitable causes to support the disadvantaged populations.

ACADEMY OF MANAGED CARE PHARMACY

ABOUT US

AMCP is a national professional association of students and pharmacists dedicated to increasing patient access to affordable medications, improving health outcomes, and ensuring the wise use of health care dollars in all fields of pharmacy.

OUR MISSION

AMCP's mission is to empower its members to serve society by using sound medication management principles and strategies to improve health care for all. We aim to anticipate and serve the needs of our members in the provision of high-quality health care by embracing the following four core values: credibility, transparency, collaboration, and innovation.

AMERICAN PHARMACY STUDENT ALLIANCE (APSA)

As the **largest organization** at USC Mann, APSA offers a variety of benefits to its members, such as **leadership opportunities, patient care projects, conference scholarships, professional/legislative involvements**, and much more!

OUR MISSION

To provide opportunities and empower students to develop the person, the passion, and the profession.

WHAT IS APSA?

APSA is a professional pharmacy organization at the USC Mann School of Pharmacy and Pharmaceutical Sciences. APSA is a student **alliance** between **five** independent professional organizations: **APhA, ASHP, CPhA, CSHP, and IPSF**. Our vision is to develop student pharmacists into future leaders so that they will advocate, unite, and advance the profession of pharmacy.

Our Mission

To cultivate relationships between students, faculty, and members of the community, to provide networking between students and established members of the pharmacy profession, to foster interest in Chinese culture, and to serve the school, profession, and surrounding communities.

About Us

Immerse yourself in the Chinese culture to experience traditions completely different, or similar, to your own. We offer professional events, such as health fairs, and a variety of workshops such as Traditional Chinese Medicine and Chinese Language Workshops! When you want to take a break from pharmacy and unwind, we offer social events like Dumpling Night, Game Night, and Lunar New Year Night! ChAPSA is here to serve as an outlet for any of your student needs!

DIGITAL HEALTH & INFORMATICS

Mission Statement

To support the growth and innovation of health professionals within the USC Mann School of Pharmacy & Pharmaceutical Sciences through digital health and informatics. We advocate for this advancement in an equitable manner to ensure that marginalized communities can participate in this growing area of health.

Our Vision

DHI is dedicated to establishing a sustainable organization that enables students to develop practical skills essential for pharmacy careers such as digital health and informatics. Through mentorships, project development/management, and exclusive internships, our aim is to promote digital and health literacy within the dynamic pharmacy landscape.

Global Pharmacy Association

Mission

The Global Pharmacy Association (GlobalRx) is dedicated to international collaboration through the advancement of pharmacy practices. Through our travels, we aim to improve health outcomes, make a positive impact on public health, build cross-cultural connections, and create a global network of pharmacy professionals who will improve global healthcare. With these experiences, we hope to inspire the next generation of pharmacists to become culturally competent and passionate leaders of global healthcare.

What we do

- 10-14 day Global Pharmacy Experiences
- Meetings with global pharmacy professionals
- Networking with international students
- Fundraisers

PROFESSIONAL PHARMACY SOCIETY

**SISTERHOOD
SERVICE**

**SCHOLARSHIP
INTEGRITY**

Our mission is to provide lifelong opportunities for women in pharmacy through professional excellence and personal growth.

EVENTS

Osteoporosis Screenings

- We provide training to USC Mann pharmacy students to provide osteoporosis screenings and consultations to health fair participants.

Board Specialties Workshop

- Hear from board-certified pharmacists in a range of specialties including cardiology, oncology, geriatrics, nutrition, nuclear pharmacy, and ambulatory care.

Rock the Pink

- Our annual event focused on breast cancer awareness. Listen to speakers talk about their personal experiences and learn about advocating for breast cancer survivors.

... And much more!

ABOUT US

Lambda Kappa Sigma - Lambda Chapter, is a co-ed professional student organization with a focus on women's health issues. During health fairs, we provide free osteoporosis screenings to local communities. In addition, we provide educational, professional and social workshops for all USC pharmacy students. Many alumni are involved in our professional society, providing our members with guidance and knowledge about the pharmacy profession, and providing us with plenty of professional networking opportunities.

Furthermore, our members develop everlasting friendships. Not only do we support one another to succeed professionally, but our members care for one another as family. We are looking forward to continuing our professionalism, friendship and family for many years to come with you by our side!

MISSION: Promoting the value of interdisciplinary care and raising awareness about the different healthcare professions through education and clinical practice.

Health Fairs, Clinics, & Networking

01

In the upcoming year, MAPSC will be holding many clinics and health fairs that allow students to work in interdisciplinary teams.

Street Medicine

02

Help understand and better serve the homeless community within an interdisciplinary team! Our LA Care events focus on brown bag medication reconciliation to assist patients with their daily meds.

Ready, Set, Fit!

03

An opportunity for doctorate students to provide educational outreach to elementary students regarding different monthly topics.

Mock OSCE

04

MAPSC offers students a chance to practice clinical skills with a preceptor in our Mock OSCE spring event.

PHARMSC CLINIC

CLINICAL SERVICES ♥ COMMUNITY EDUCATION ♥ HEALTH PROMOTION

Mission Statement:

To create a collaborative effort among practicing pharmacists and student pharmacists to serve the pharmacy clinical needs of the surrounding underserved populations in Los Angeles and to provide health education to the general public.

About Us:

PharmSC Clinic is a student-run clinic located in Boyle Heights that provides free screenings for diabetes, cholesterol, hypertension, and body fat analysis to the local community. Student volunteers at the clinic have the unique opportunity to interactively apply their clinical knowledge as they screen and counsel patients under supervision. Outside the clinic, PharmSC organizes community outreach events, provides health education and professional development resources, and leads a strong leadership program for first-year student pharmacists.

What do we offer?

-  Student-Run Clinic
-  Health Education Workshops
-  Professional Development
-  Health Fairs
-  Monthly Health Awareness Blogs
-  P1 Leadership Program
-  Ambulatory Care Opportunities
-  Pharmily Fun!

PHI LAMBDA SIGMA
PHARMACY LEADERSHIP SOCIETY

PHI LAMBDA SIGMA

The purpose of Phi Lambda Sigma is to promote leadership qualities, especially among student pharmacists. The Society encourages participation in all pharmacy activities, and because membership does not cross fraternal and organizational lines, the Society does not compete with other pharmacy organizations. Phi Lambda Sigma honors leadership, selecting members through peer and faculty recognition. Such recognition instills and enhances self confidence, encourages less active students to become involved, and promotes greater effort toward the advancement of pharmacy.

Mission

To celebrate Filipino heritage while fostering an inclusive community that supports all pharmacy students and professionals through cultural engagement, health education, mentorship, and service.

USC Parmasya is a Filipino affinity organization dedicated to supporting pre-pharmacy and pharmacy students through cultural connection, academic empowerment, and professional development. The organization offers a platform for students to celebrate their Filipino heritage while pursuing careers in healthcare and pharmacy.

RxPride

Celebrating All Students in Pharmacy

RxPride is an LGBTQIA+ affinity group at USC Alfred E. Mann School of Pharmacy and Pharmaceutical Sciences. Our mission is to cultivate a safe and inclusive space where individuals of all identities can thrive and feel embraced. We strive to foster a welcoming community that celebrates every student at USC.

Speaker Panels

Workshops

Join us and ...

- **Raise awareness** about sexual and gender diversity
- **Foster open, inclusive dialogue** on LGBTQIA+ health gaps
- Equip healthcare professionals with **education and resources**
- **Promote welcoming care** for LGBTQIA+ patients, families, and colleagues

RxPride Co-Liaison
James Turner
PharmD, Class of 2028

I'm really looking forward to helping create a sense of belonging and sharing useful knowledge with students both within and outside of USC Mann!

"I am excited to work with the Office of Organizational Success and Well-being to bring invaluable programming to the Mann student body."

JOIN THE STUDENT COMMITTEE FOR DEI

What We Do

- Collaborate with affinity groups
- Plan and execute school-wide events
- Advocate and communicate students' needs to school administrators
- Provide support to all USC Mann students

The mission is to help build a diverse, equitable, and inclusive culture within the USC Mann School of Pharmacy and Pharmaceutical Sciences by supporting the expression of diverse identities, facilitating cross-cultural communication, and fostering a school-wide commitment to underrepresented populations. We strive to assist faculty, staff, and students in a unified effort to cultivate more patient-care-centered pharmacists and scientists.
