BODACIOUS GOAL NAME:

A New Beginning of Reconnecting Brotherhood

DESCRIPTION — IN A PARAGRAPH, HOW WOULD YOU DESCRIBE THE PROJECT TO SOMEONE?

This project aims at rekindling the brotherhood flame that was lost over the last 2 years. As a chapter, we have disconnected from one another, so this year the goal is to be more involved in the chapter as a whole. This entails participating in brotherhood events, and acting like a leader. A lot of the issues that have caused a downhill trend in PDC come from being unorganized and unmotivated, so the goal this year is to turn that around. By being active in communications and by staying responsible for tasks, this can be a successful year.

WHAT ARE THE FOUR COMPONENTS OF THE PROJECT?

Structural: Each board member has a committee to help with event planning and outreach. These committees are responsible for certain tasks throughout the year.

Human resources: Supporting brothers by doing something nice for them after exams, this could be as simple as a text or something done at chapter to recognize their hard work.

Political: This year, we are hosting several events with alumni.

Symbolic: This year, we are implementing brother of the month awards. This recognizes a stellar brother who has gone out of their way to help other brothers, and shows what a true leader embodies.
